MEMORANDUM FOR:

STATINTL

SUBJECT : Termination of House Select Committee Staff Access to Compartmented Information

As of 31 January 1976, the House Select Committee on Intelligence terminated the investigative portion of its activities.

It is thus requested that the names of all the House Select Committee staff be removed from the CIB computer, effective this date.

Any further attempts by the House Select Committee staff to gain access to compartmented information should be reported to the Review Staff.
